We are committed to providing you with the best possible care. If you have medical insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policy.

Payments for services is due at the time services are rendered unless payments arrangements have been approved in advance by our Billing Department or Attending Physician. We accept cash, checks, MasterCard or Visa. We will be happy to help you process your insurance claim-form for your reimbursement. Any such request must be accompanied by a completed insurance form at each visit. In special instances, we may accept assignment of insurance benefits.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance.

You must realize, however, that:

1. Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract.
2. Our fees are generally considered to fall within the acceptable range by most companies, and therefore, are covered by each carrier.

This applies only to companies who pay a percentage (such as 70% or 80%) of “U.C.R.”. “U.C.R.” is defined as usual, customary and reasonable by most companies.

This statement does not apply to companies who reimburse based on arbitrary “schedule of fees” which bears no relationship to the current standard and cost of care in this area.

3. Not all services are a covered benefit in all contracts. Some insurance companies arbitrary select certain services they will not cover.

We must emphasize that as health care providers, our relationship is with you, not your insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date the services are rendered. We realize that temporary financial problems may affect timely payments of your account. If such problems do arise, we encourage you to contact us promptly for assistance in the management of your account. Our staff is always available to assist you.

If you have any questions about the information or any uncertainty regarding insurance coverage, please don't hesitate to ask us. We are here to help you.
