# Skilled Psychologist of Healthpointe Obtains Post Doctoral Masters Degree in Clinical Psychopharmacology

Dr. Levon Margolin is one of few doctors who have obtained a Masters Degree in Clinical Psychopharmacology in Southern California.

La Mirada, CA (PRWEB) August 26, 2015

Healthpointe is proud to announce that their Director of Psychological Services, Dr. Levon Margolin Ph.D., obtained a Post-Doctoral Masters Degree in Clinical Psychopharmacology on June 21, 2015. Dr. Margolin is currently practicing in Healthpointe's Southern California locations including the Anaheim, Corona, Colton, Ontario, Long Beach, and Los Angeles Healthpointe clinics.

Psychopharmacology is the study of the effects of medication on mood, sensation, thinking, and behavior. A Masters Degree in Clinical Psychopharmacology provides psychologists with medical knowledge in multiple areas including pathophysiology, **neurology**, and pharmacology.

"This accomplishment gives me the expertise I need in order to work effectively on an integrated treatment team with the medical doctors at Healthpointe," said Dr. Margolin. "By understanding how medical and psychological factors interact to affect patients, we can help patients achieve the best possible results."

The combination of his clinical expertise and advanced academic achievement has led Dr. Margolin to develop a unique skillset as a doctoral level practicing psychologist. Dr. Margolin has become an inspiring
