La Mirada, CA (PRWEB) June 25, 2015

Healthpointe is proud to announce that its [Cosmetic Laser Institute \(CLI\)](#) is now offering Botox with the Brilliant Distinctions program.

Brilliant Distinctions is a rewards program that lets users collect points with each qualifying service provided by Healthpointe including Botox and Juvederm among other services. With the purchased service, clients are able to redeem their points for “brilliant” discounts on future treatments.

At Healthpointe, Botox is a prescription medicine that temporarily (3-9 months) reduces the appearances of fine lines and wrinkles on the face. At Healthpointe’s CLI, patients can expect professional estheticians and consultations with dermatology and skincare professionals, for maximal results.

A complimentary consultation by one of the [Healthpointe](#) skincare professionals will help you choose the right procedures to meet your cosmetic needs. Healthpointe has the most current technology, including state-of-the-art lasers, and all of their services are supported by qualified medical staff.

Anti-aging treatments and corrective skin resurfacing for wrinkles, scars, keratoses, broken capillaries, or pigmentation problems can return skin to a healthier and more youthful condition.

Other Cosmetic Laser Institute treatments include laser peels, hair removal, facials, skin treatments, and body sculpting. Specific treatments include Exilis, [acne treatment](#), Skin Tyte, ProFractional, MicroLaserPeel, Hair Removal, Microvascular Therapy, Photofacial, Injectable treatments (Botox, Juvéderm, Radiesse), Skincare products (Lucrest, Obagi), Non-Surgical Fat Reduction or skin tightening systems using radio frequency.
